TACKLE CANCER

Tournament Scrimmage

August 22-23, 2009 – West Allegheny High School

Dear Friends,

You are being contacted because you are either associated with a football team within the South Suburban Youth Football League or someone from the league has forwarded this message to you.

We are asking for your support to help raise money for Cancer research. The American Cancer Society along with the West Allegheny Youth Association is holding a benefit youth football tournament in August. The proceeds from the tournament entrance fees, sponsorships and t-shirt sales will be 100% donated to the American Cancer Society. Last year we raised \$18,000 with this event !!

How can you help?

1. You can become a sponsor. The second page of this packet gives you all the details that you need to become a sponsor for this year's event.
2. You can take this into the company you work for and see if they can become a sponsor.
3. You can forward this to as many of your contacts as possible and ask them to do the same.

This is the second year for this youth football benefit tournament. However since my wife passed away in 2001, we have raised over \$83,000 from rugby tournaments and this tournament last year. I have four kids now involved in the South Suburban Youth Football League as football players and as a cheerleader. They are old enough now and want to participate in this event and help to organize it.

I would like to thank you in advance for any support you can give. Hopefully, together, we can help **Tackle Cancer!**

Sincerely,
Tony Orsini
